To whom it concerns:

The Ashland County Commissioners have had the pleasure of working on multiple projects completed by Simonson Construction Services, Inc. Simonson Construction served as Design-Builder for the recently renovated Ashland County Health Department and the Ashland County Dog Shelter's new facility.

Throughout the entire process, Simonson Construction's team maintained open communication, professionalism, knowledge, and skill that the County appreciates. The project managers we worked with addressed challenges effectively. The level of commitment they possessed was noticeable and admirable. The quality of both finished projects exceeded our expectations. We are fortunate to have their skillset and services improving Ashland County.

On behalf of the Ashland County Commissioners, I highly recommend Simonson Construction Services, Inc. I am confident that they are a qualified candidate for your upcoming construction project.

Sincerely,

A handwritten signature in blue ink, appearing to read "Denny Bittle". The signature is fluid and cursive, written over a light blue horizontal line.

Denny Bittle

President

Ashland County Commissioners
