

ASHLAND CITY SCHOOLS - KEITH WYGANT MEMORIAL FIELDHOUSE

Education

DESIGN-BUILD
PROJECT

- **YEAR BUILT: 2019**
- **TOTAL AREA: 56,300 SF**
- **BUILDING DETAILS: The pre-engineered fieldhouse includes a walk track, mezzanine, and suspended walk track built from conventional steel. The building features practice areas for wrestling, basketball, volleyball, tennis, and baseball. Additionally, the fieldhouse includes new weight rooms, locker rooms, and concessions. Other features of the project are: stadium ADA access, new stadium light fixtures, new stadium sound system, middle school to stadium sidewalks and a new walk of champions' archway.**
